

Year 4 are looking forward to a sensational Summer!

Art

In Art, Children will be exploring the artist Monet, who uses inspiration and influence from nature to create impressionist pieces of art work. Children will create their own art in his style using different techniques, creating art based on animals and nature to link in with science and humanities.

Literacy

In Literacy, the children will look at a range of literature. Our main texts for this term is The boy at the back of class. In reading, the children will have opportunities to develop their inference skills, which they will use to explore main themes in detail. They will complete various writing activities such as a character description, formal letter and poetry.

Numeracy

This term children will begin to explore rounding, Roman numerals, division and multiplication. Children will continue to develop their understanding of numbers before zero and fractions. Children will continue to develop their arithmetic skills.

Humanities

In History, we will learn about the Ancient Greeks and what life was like during this period. Children will create timelines, compare city states, create job adverts for a Greek soldier as well as debating about significant leaders and events.

In Geography, children will explore rivers, seas and waters. They will look at the journey of a river and how they are made up, what happens when a river meets the sea as well as looking at rivers within the UK and across the world, comparing and contrasting them.

Science

In science this term, children will explore the digestive system, including how it begins, looking at teeth. Children will also recreate the digestive system in an experiment to see how the body digests food before investigating the diets and characteristics of a herbivore, carnivore and omnivore.

Then, children we will be exploring habitats, starting with our local area and how it has changed. Children will look at the impact of environmental changes as well as natural disasters that happen in the world. Finally, children will develop their knowledge of climate change, the negative effects of this and what we can do to help our planet. as well as look at local and distant habitats.

P.E

Children will need to wear their P.E kit to school on a Wednesday. Children will have the opportunity to participate in a range of team sports such as net and ball games to learn and develop new and existing skills.

RE

This term, children will build on their understanding of Islam and the Importance of Prophet Muhammad (PBUH). Children will also look at holy books, including the Qu'ran, exploring different stories and the lessons within them. Children will then learn about the different places of worship and how a variety of religions share and celebrate their beliefs.

P.S.H.E

During this term, children will look at behaviour and keeping safe. Children will delve into the impact behaviour has on ourselves and those around us, including how behaviour can impact us in the future. Children will also look at the reproductive system and how our bodies change as we grow up.

Reminders/ Notices

Marvellous Me

We will continue to send notifications and messages to inform you of any activities and achievements your child receives. Please continue to look out for updates on the app.

Purple Mash

All children have log-ons to Purple Mash. There are lots of activities that the children can complete to help them with their studies

Reading

Children are heard read at least once a week in school; they also need to be reading at home and recording a comment in their reading diaries. The children need to be able to read a wide range of texts and we would encourage them to read texts that they find interesting.

Bug Club

Children have access to Bug Club on the Active Learn website, where they are able to access a range of books appropriate to their reading level. Children are expected to use Bug Club on a weekly basis.

PE Kit

Children will need to wear their P.E kit in school on a Wednesday. Please ensure they wear warm clothing such as a jumper, as their lesson may be outdoors.
